

Construction Taster Program For Women

building
women

Your future in construction starts here

Gain practical skills, industry experience and the confidence to build a career in construction through Building Women's accredited training program, delivered in partnership with North East Vocational College (RTO 40222) and our delivery partners.

What's Included:

- Accredited training: Introduction to Construction Skill Set (SSDIS01008)
- Site visits & guest speakers
- Career coaching & wellbeing sessions
- Work experience opportunities & employment pathways upon completion
- All PPE provided

This 7-week taster program includes the nationally recognised Introduction to Construction Skill Set covering:

- White Card CPCWHS1001
- Apply WHS requirements, policies and procedures in the construction industry CPCCWHS2001
- Work effectively and sustainably in the construction industry CPCCOM1012
- Use construction tools & equipment CPCCCM2005
- Undertake a basic construction project CPCCVE1011
- Work safely at heights CPCCCM201

This initiative is supported by the Building Women's Careers (BWC) Program, funded by the Australian Government Department of Employment and Workplace Relations.
